

Your Passport to an International Career

ITEC & CIDESCO 5 Day Post Grad Prep Classes

Elaine Sterling Institute

Elaine, founder of our school, has held professional positions that include Director of Education of a large skincare school in Atlanta and Esthetic and Training Director at Spa Sydell, a highly successful and innovative Day Spa group also based in Atlanta. Our institute harmonizes European Skincare Standards with American Scientific Technologies.

Our Post Graduate Courses

We enable skincare and medical professionals to expand their knowledge and skill set through continuing education. Our internationally accredited institute provides a multitude of courses and certifications ranging from machines to international certifications. Visit our website for a complete list of courses and schedules.

CIDESCO

CIDESCO certification is an outstanding international certification recognized globally for higher skincare standards. This certification adds an unprecedented level of sophistication to your license or degree.

ITEC

ITEC is an additional international certification that shows a mastery of advanced course material and esthetic skills. Countries around the world recognize ITEC certification and is a fantastic option for an international career.

Laser Course

ESI offers a 2 day laser hair removal course and a 5 day comprehensive laser course. Being on the cutting edge of medical aesthetics will give you the knowledge that will set you apart and give you the confidence you need to enter the medical aesthetic field.
